EOL alerts on server products v6+

2021-02-04 - Steef | ESET Nederland - Comments (0) - Releases

Today, on February 4, 2021, with the release of **Antivirus and antispyware scanner module 1570** to **pre-release users**, we are enabling **yellow EOL alerts** on **server products v6.4 and lower**.

Release of the module to general public is expected on February 11.
