Release announcement: ESET DEM plugin for ConnectWise Automate v1.5.1(Hotfix)

2021-04-28 - Mitchell | ESET Nederland - Comments (0) - Servicing release

We have released of **new version of Direct Endpoint Management plugin for ConnectWise Automate v1.5.1.**

This is a hotfix version. This version is downloadable from ConnectWise Marketplace.

Changelog:

- Removed references to ESET endpoint version 6 in deployment package. Option now provides the ability to install latest version or previous major version (Currently v7)
- EMA2 "Untrusted" MSPs are no longer offered the ability to adjust seat count from within License Management
- Fixed an issue with Mac Script scheduling
- Fixed an issue with ESET Protect(ESMC) agents over-writing DEM configured policy
- Fixed an issue with Windows Server endpoints, automatic deployment and OS exclusion
