ESET PROTECT Hub version 1.0 has been released

2024-08-05 - Steef | ESET Nederland - Reacties (0) - Feature release

ESET PROTECT Hub is replacing **ESET Business Account** and **ESET MSP Administrator 2 (EMA2)** for new B2B customers. After July 31, 2024, any new customers who try to register an **ESET Business Account** will be redirected to the ESET PROTECT Hub.

See more general information on ESET PROTECT Hub.

Starting in September 2024, we will roll existing customers, resellers and MSPs into the ESET PROTECT Hub in several waves. See more information on how ESET PROTECT Hub will be rolled out.

Review the support levels for EBA and EMA2

- See EOL information for EMA2.
- See EOL information for EBA.
- See all support level information for ESET business product versions.
- See all ESET product End of Life announcements.

The ESET PROTECT Hub Online Help contains comprehensive reference information for system settings, configurations, installation scenarios and more.
