https://support.eset.com/kb5761

If you do not use ESET Remote Administrator to manage your network

Enable ESET Live Grid on individual client workstations.

ERA version 6 users: ESET Business products

Enable ESET Live Grid from the ESET Remote Administrator Console (5.x)

1. Open the ESET Remote Administrator Console (ERAC) by double-clicking the ERAC icon on your Desktop, or by clicking **Start → All Programs → ESET → ESET Remote Administrator Console → ESET Remote Administrator Console**.

2. Click **Tools → Policy Manager**.

Figure 1-1

3. Select the policy you want to modify and click **Edit Policy**.

Figure 1-2

4. Expand **Windows Desktop V5 → Kernel → Settings → ESET Live Grid**.

5. Select **Join ESET Live Grid**, select the check box next to **Yes / No** and then click **Console → Yes**.

Figure 1-3

6. Click **OK**.
