ESET Endpoint Security firewall blocks Miracast protocol

Steeff | ESET Nederland - 2019-11-08 - Comments (0) - ESET Endpoint Security

Issue: Miracast protocol is blocked by ESET Endpoint Security firewall

Solution: Create the following allow rule in the Endpoint Firewall

General

Name: Allow Miracast on Surface HUB

Enables: yes

Direction: Both

Action: Allow

Protocol: TCP and UDP

Local

Application: C:\Windows\System32\WUDFHost.exe

The screenshot shows the 'Add rule' dialog box with the following configuration:

- General Tab:**
 - Name: Allow Miracast on Surface HUB
 - Enabled:
 - Direction: Both
 - Action: Allow
 - Protocol: TCP & UDP
 - Port: 0
 - ICMP Type/Code: (empty)
 - Profile: Any profile
 - Logging severity: None
 - Notify user:

An 'OK' button is located at the bottom right of the dialog.
