

ESET Endpoint Security firewall blocks Miracast protocol

Steef | ESET Nederland - 2019-11-08 - [Comments \(0\)](#) - [ESET Endpoint Security](#)

Issue: Miracast protocol is blocked by ESET Endpoint Security firewall

Solution: Create the following allow rule in the Endpoint Firewall

General

Name: Allow Miracast on Surface HUB

Enables: yes

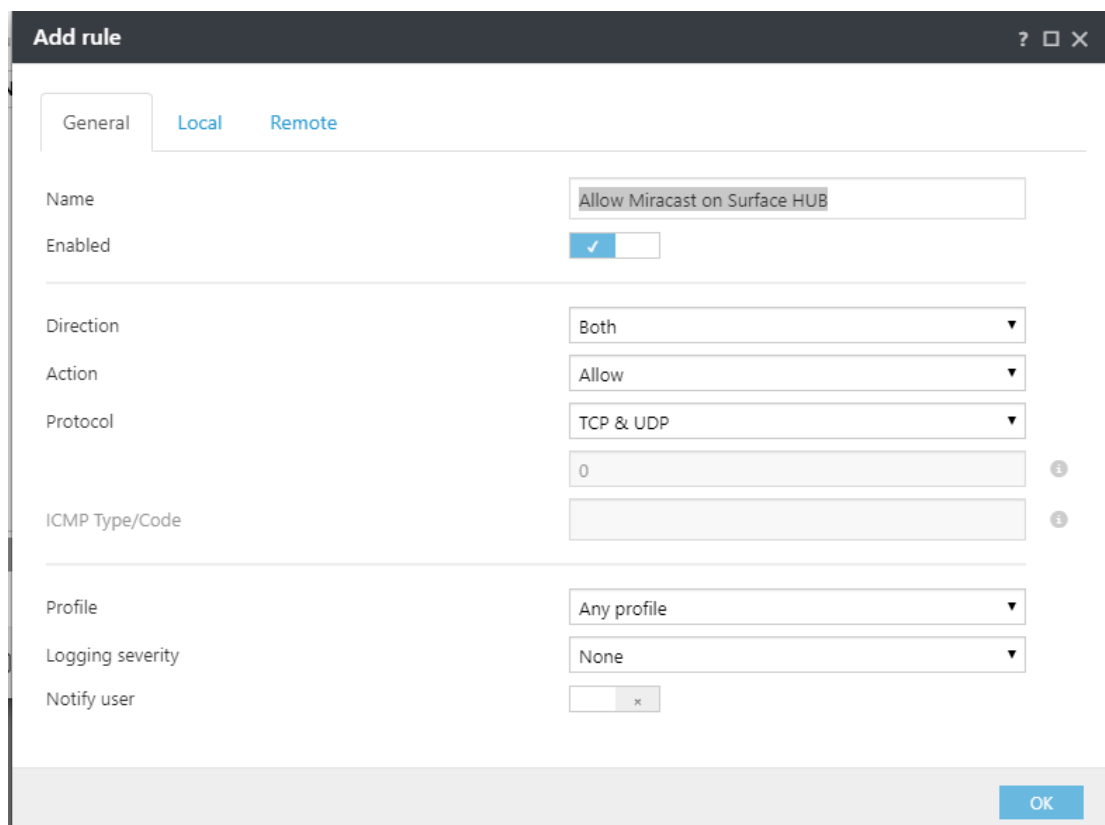

Direction: Both

Action: Allow

Protocol: TCP and UDP

Local

Application: C:\Windows\System32\WUDFHost.exe

Add rule [?] [] [X]

General Local Remote

Name: Allow Miracast on Surface HUB

Enabled:

Direction: Both

Action: Allow

Protocol: TCP & UDP

ICMP Type/Code: 0

Profile: Any profile

Logging severity: None

Notify user:

OK

Add rule ? □ ×
