How do I change my EBA email address?

Mitchell | ESET Nederland - 2019-11-22 - Comments (0) - FAQ's

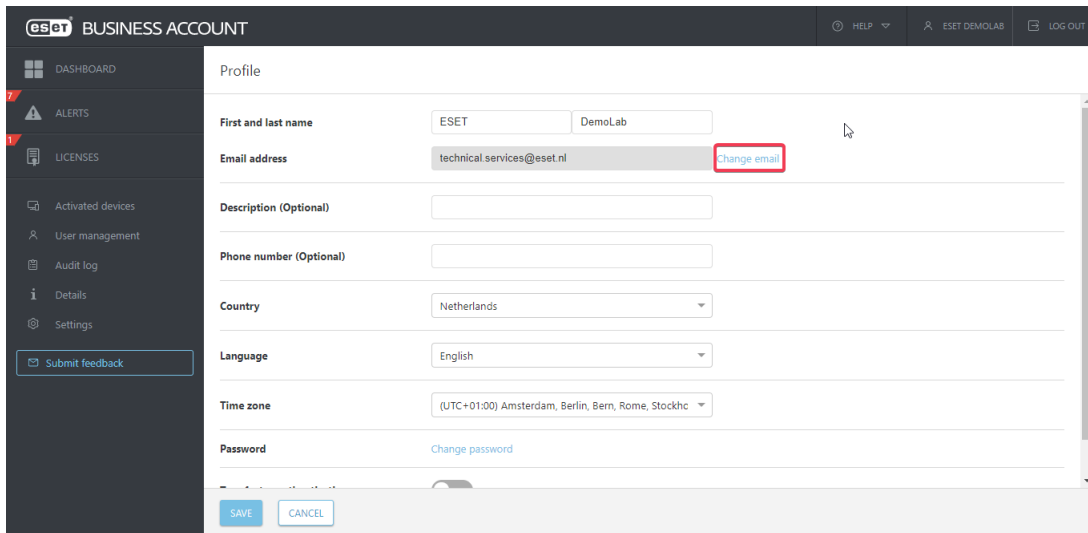

1. Login to <https://eba.eset.com/>

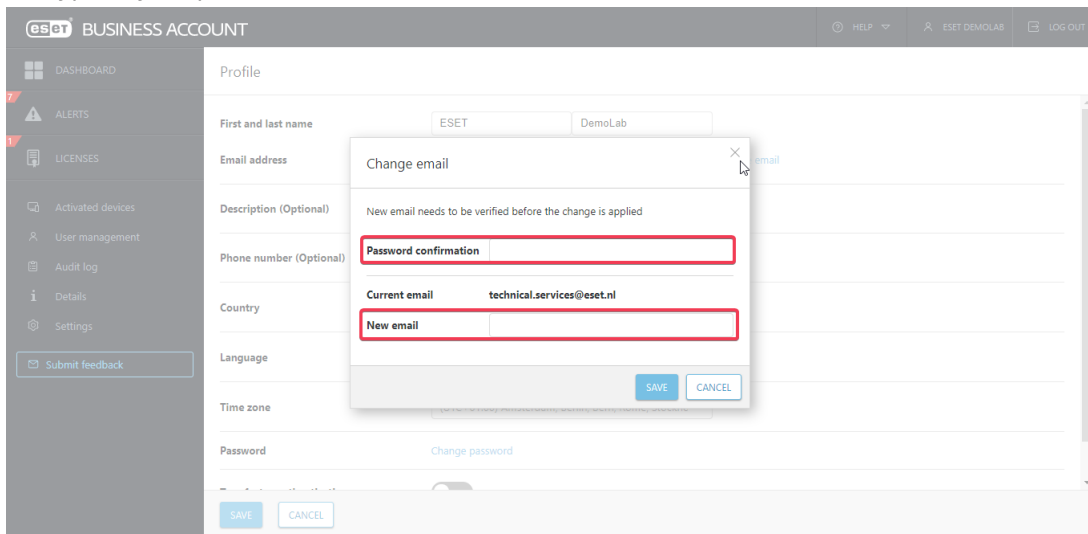

2. Click on "your account" in the upper right corner:

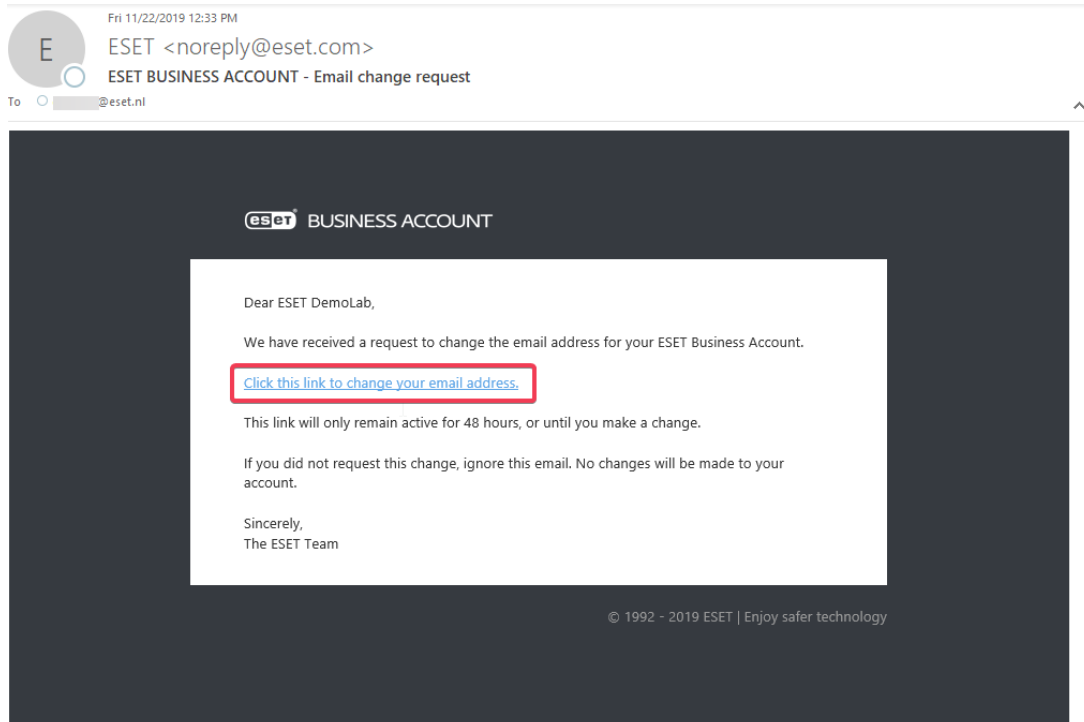

3. Click on "Change email"

4. Type in your password and the new email address:

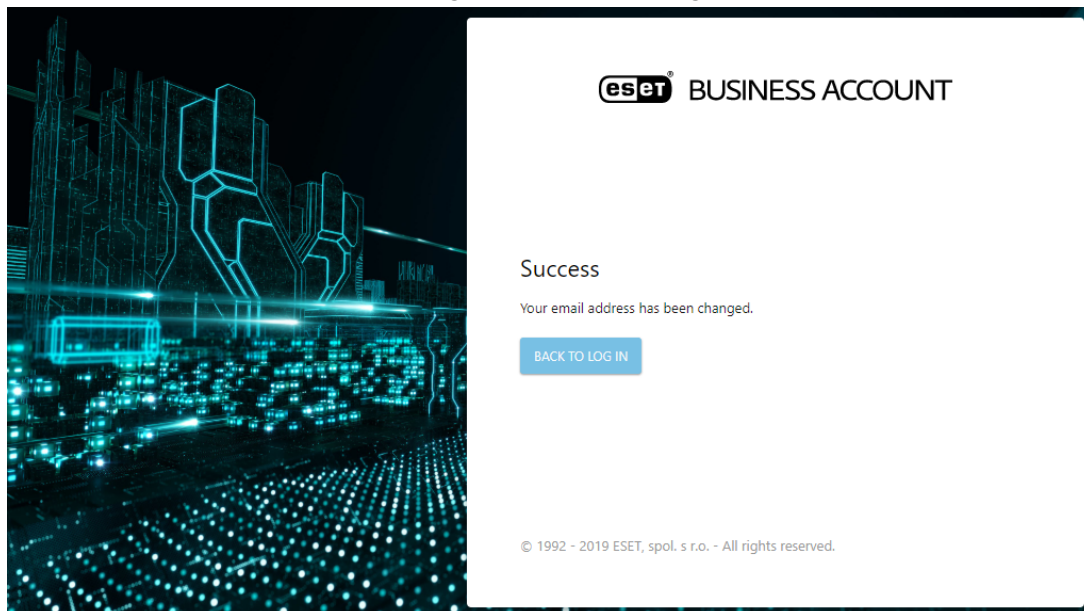

5. You will receive a confirmation email, click on the link to confirm the email change:

6. If you receive the message "Logout You are now logged out", open the link for a second time.

Logout You are now logged out

You should then receive a email change successful message:

7. You can now login using your new email address.
