How do I change the language of ESET Remote Administrator Web Console? (6.x)

Ondersteuning | ESET Nederland - 2017-11-06 - Comments (0) - 6.x

<https://support.eset.com/kb5915>

1. Open ESET Remote Administrator Web Console (ERA Web Console) in your web browser. [How do I open ERA Web Console?](#)
2. At the login screen, select the language you want to use from the language drop-down menu.
3. Type your password into the appropriate field and log in as usual. The ERA Web Console will use the language you selected.
