Mail security in onze security sandbox oplossing | ESET Dynamic Threat Defense (EDTD)

Steeff | ESET Nederland - 2022-06-21 - Comments (0) - ESET Techlab

Welkom bij ESET TechLab. Hét kanaal waar wij technische kennis delen met onze Tech Community.

In deze aflevering verteld Riccardo Aanen je hoe ESET Dynamic Threat Defense werkt. We laten in deze video zien hoe de e-mail security van onze oplossing werkt.

Timestamps:

- 00:00 Intro
- 01:00 Hoe stel je mail security in
- 02:30 Hoe werk mail security?
- 03:50 Conclusie mail security
- 04:20 Afsluiting
