Ransomware Remediation with ESET XDR

Steef | ESET Nederland - 2024-05-23 - [Comments (0)](#) - [Video Content](#)

In this exclusive video, our MDR (Managed Detection and Response) engineer takes you inside our ESET Inspect XDR module to showcase the power of ESET PROTECT Platform. Watch in real-time as we demonstrate the effectiveness of our solutions in deflecting a ransomware attack orchestrated by the notorious FreeWorld ransomware.

The scenario was replicated by one of our Security Monitoring Analysts James Rodewald from our Managed Detection and Response (MDR).
