Issue

Check which version of ESET Remote Administrator Server (ERA Server) you have installed and whether it is the latest version

Check which versions of ESET Remote Administrator components (ESET Remote Administrator Agent, Proxy, Mobile Device Connector, etc.) you have installed and make sure they are compatible with your version of ERA Server

Solution

The latest version of ESET Remote Administrator (ERA) is **6.5.34**

The latest version of the ESET Remote Administrator Server component (ERA Server) is 6.5.522.0 (Windows), 6.5.417.0 (Linux).
