ESET LiveGuard servers' IP address change

2025-06-16 - Steef | ESET Nederland - Comments (0) - Customer Advisories

During the week of **June 16th to June 20th**, the IP addresses of the ESET LiveGuard servers will change as follows. If you are using a firewall that limits outbound connections to specific IP addresses, please ensure that communication with the new IP addresses is allowed:

Hostname	Old IP addresses	New IP addresses
r.edtd.eset.com	137.117.138.135 (Europe) 13.83.244.211 (USA)	20.31.87.92 (Europe) 20.43.231.148 (USA)
d.edtd.eset.com	137.117.138.135 (Europe) 13.83.244.211 (USA)	20.31.87.92 (Europe) 20.43.231.148 (USA)

The new IP address are already listed in the following Knowledge base article:
https://support.eset.com/en/kb332.
