Release Announcement: AD Scanner 1.3 for ESET PROTECT Cloud

2023-10-30 - Steef | ESET Nederland - Comments (0) - Releases

Changelog:

- ADDED: Support for a new version of .NET (v6)
- ADDED: AD Scanner requests credentials when executed from a different location via the command line to reschedule with a new path
- CHANGED: It is no longer necessary to include the token in the command line if it was previously configured

Product/Service: [AD Scanner for ESET PROTECT Cloud](#)
