2022-11-10 - Steef | ESET Nederland - [Comments (0)](#) - [Releases](#)

let me inform you that on the 9th of November 2022, we have released **a new service version of the ESET Cloud Office Security portal (v205)**.
Both US and EU versions are now up and running.

Changelog:

- **Added:** Option to choose how lists (Approved/Blocked/Ignored IP lists and Approved/Blocked senders lists) in the anti-spam policy settings are going to be applied giving the option to either append or replace lists from previous policies.
- **Added:** Option to export Scan Logs as well as Audit Logs into a CSV file
- **Added:** What´s New modal window - starting from this release is going to be used to let users know of the changes in every Major and Service release.
- **Fixed:** Minor bugs
