Release announcement: ESET Enterprise Inspector Agent 1.4.1370.0 (Hotfix)

2020-09-22 - Mitchell | ESET Nederland - Comments (0) - Servicing release

I would like to inform you that we have just released a hotfix for ESET Enterprise Inspector v1.4 today. It resolves an issue that was causing high memory usage by the EI Agent on Windows endpoints.

Release notes:

Version 1.4.1370.0

- Fixed: Issue that was causing high memory usage on Windows

Installation notes:

Upgrade to hotfix version of EI Agent for Windows is required only in case high memory usage by the EI Agent is observed on Windows endpoints

Installation file is available for download at the download section of our website and the ESMC repository.
