Release Announcement: ESET Remote Administartor Plugin for Kaseya (version 2.7.0)

2018-08-24 - Mitchell | ESET Nederland - Comments (0) - Servicing release

Vandaag is er een nieuwe versie van de ESET Remote Administartor Plugin for Kaseya uitgebracht, deze is te downloaden vanaf:

- https://automationexchange.kaseya.com/products/230
- https://www.eset.com/int/business/partner/integration/download-kaseya-plugin/

Change log

- Fixed: Issue when deploying where v7 agent would be downloaded and installed instead of v6 agent
- Fixed: Issue where configuration editor would refuse to load due to javascript error
- Added: Support for ESET Management Center v7. This plugin now supports interaction with ERA v5, v6.5 and v7
