Service Release: ESET Mail Security 6 for Microsoft Exchange Server

2018-04-13 - Mitchell | ESET Nederland - Comments (0) - Servicing release

Vandaag is er een Service Release uitgebracht van ESET Mail Security For Exchange, Deze is inmiddels te downloaden vanaf onze website. Naar verwachting zal deze in de komende 24 uur ook beschikbaar gemaakt worden op de repository, zodat deze ook eenvoudig vanaf ERA te installeren is.

Deze service release bevat de volgende changes/fixes:

Change-log:

- Added: Ability to export Mail server protection log to Windows applications and Services Logs
- Added: New rule with “From header” condition to help detect sender spoofing by allowing a user to compare message “From” headers with envelope senders
- Added: New rules for blocking “Office files with macros” (.doc, .xls, .xml, etc.) and "Dangerous script file attachments" (*.js, *.jse, *.vb, *.vba, *.vbe, *.vbs, *.bat, *.cmd, *.ws, *.wsf, *.wsc, *.wsh, *.ps1, *.ps2, *.psc1, *.psc2)
- Added: Check box for turning on/off log export to Windows applications and Services logs
- Added: Information about file names and hashes of infected attachments to event log
- Added: Logging from SPF rule if diagnostic logging is on
- Improved: Readability of diagnostic Antispam logs
- Improved: Interpretation of “eml” extension in rules
- Improved: Help documentation for Quarantine Web interface on Windows 2003 and SSL
- Fixed: Potential application freeze when periodic module update conflicts with rules configuration sync via ESET cluster or ERA
- Fixed: "Automatically bypass Greylisting if SPF check passed" setting evaluates SPF also with disabled Greylisting option
- Fixed: Health Mailbox messages are Greylisted
- Fixed: Some of the inputs required for SPF are null
- Fixed: Joint SPF/Greylisting whitelists were disabled when SPF was turned on and Greylisting was turned off
- Fixed: Incorrect rule level for SPF, DMARC and DKIM
- Fixed: Overall limit if querying Max domains for A records
- Fixed: Various minor localization bugs

Known issues:

- None relevant
