Add license for ESET Cloud Office Security

Anish | ESET Nederland - 2020-10-30 - Reacties (0) - ESET Cloud Office Security

After a successful login to [ESET Business Account](#) , you will see a Welcome screen for ESET Business Account if you are a first-time user.

1. Click Add license to open the license window. If you are a regular ESET Business Account user, go to the License tab and click Add license.

No licenses available. Select one of the following options to add a license:

Enter license key

If you already have a license, enter your license key to add a license to your Business Account.

[ENTER LICENSE KEY](#)

Open online store

Buy a license online and enter your license key to Business Account in a few minutes.

[OPEN ONLINE STORE](#)

2. Enter your License key and then click Add license.

Add License

The License Key is in the confirmation email you received after buying it online. If you bought it in a store you can find the key on the license card.

License key 

If you have an existing Username and Password for your ESET product, you can [convert them to a license key](#).

[ADD LICENSE](#)

3. You will receive an email with a verification link. Click the link and enter your ESET Business Account portal login credentials when requested. For more information about license management, users and sites see [ESET Business Account guide](#) .
