Disable the graphical user interface (egui.exe) in ESET 6.x business products

https://support.eset.com/kb3709

Issue

Disable the graphical user interface (GUI) of your ESET products on client workstations
Disable the ESET GUI from loading at startup on your Citrix or Terminal Servers

Solution

ESET Endpoint Security/ESET Endpoint Antivirus

1. Open ESET Endpoint Security or ESET Endpoint Antivirus. Open my ESET product.

1. Press **F5** to access Advanced setup.

1. Click **User Interface**. In the **Start mode** drop-down menu, select **Silent** and click **OK**.
