ESET Endpoint Security firewall blocks Miracast protocol

Steef | ESET Nederland - 2019-11-08 - Reacties (0) - ESET Endpoint Security

Issue: Miracast protocol is blocked by ESET Endpoint Security firewall

Solution: Create the following allow rule in the Endpoint Firewall

General
Name: Allow Miracast on Surface HUB
Enables: yes
Direction: Both
Action: Allow
Protocol: TCP and UDP

Local
Application: C:\Windows\System32\WUDFHost.exe

Add rule

General   **Local**   Remote

Port

IP

Zones

Add   Edit   Remove

Application   C:\Windows\System32\WUDFHost.exe

Service (Windows Vista and higher)

OK
