ESET Direct Endpoint Management plugin for Datto version 2.0 has been released

2024-08-05 - Steef | ESET Nederland - Reacties (0) - Hotfix

The ESET Direct Endpoint Management plugin for Datto Service Release 2.0 has been released and is available for download via [the Datto RMM ComStore](#) or [the ESET Integration page](#).

Changelog

- ADDED: Integration can accept input for tasks from Global Variables, Site Variables or when running quick job
- ADDED: Integration leverages ERMMA, a new adapter built to unify DEM integration functionality cross-platform
- IMPROVED: Integration Monitors have been simplified and can output various points of interest to Device UDFs (User-Defined Fields)
- IMPROVED: Combined Deployment and Task functionalities into the same Datto Component

Support resources
