ESET PROTECT On-Prem version 12.1.9.0 has been released

2025-06-04 - Steef | ESET Nederland - Reacties (0) - Hotfix

ESET PROTECT On-Prem version 12.1.9.0 has been released and is available to download and update.

Post-Upgrade Database Operations Notice

The latest ESET PROTECT upgrade includes significant database changes, causing the final upgrade phase to take longer than usual. This is expected behavior. **Do not interrupt or forcibly terminate** the process, as this may lead to data integrity issues.

Changelog

- Added: Network Isolation for Linux
- Added: Business Account linking for improved license management
- Added: ESET PROTECT On-Prem Server performance optimization
- Added: Auditing capabilities in Tasks
