

Scheduled Maintenance - Temporary Service Disruption Expected

2026-05-27 - Steef | ESET Nederland - [Reacties \(0\)](#) - [Maintenance](#)

Please be aware that between **Saturday, May 30 2026, 07:30 UTC and 10:30 UTC**, ESET cloud services will undergo maintenance related to infrastructure changes.

During this time window, users may experience intermittent service disruption lasting approximately **20-120 minutes**. Login to cloud-based consoles may be unavailable, and license-related operations may be temporarily impacted.

We recommend planning any critical activities outside of this window.
